Dear Ms. Victor:

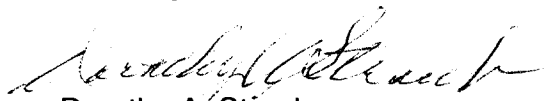

Congratulations on the outstanding performance of the Sartatia Middle School Orchestra at the 2007 Midwest Clinic! What a unique array of beautiful selections! The tradition of excellence in your orchestra program was clearly in evidence, as your musical family shared in conducting and performing. You deserve special praise for the mature and artistic presentation of the Martinu Concertino. The Bergman Piano Trio played beautifully and the orchestra's collaboration matched their style and energy. What an unforgettable musical experience for the students!

Please convey my congratulations and thanks to each and every member of the Sartatia Middle School Orchestra and to all who provided help and support for your trip to Chicago, particularly your school administrators and parents.

It was a privilege to serve as the liaison to your ensemble, to work with you in planning the program, and to introduce you at the concert.

Thank you for the proud moment you brought to the 2007 Midwest Clinic!

Sincerely,

Dorothy A. Straub
